Remember your first box of crayons? Eight glorious colors, and OH! what you could do with them! Remember your first paint box of watercolors? Eight little ovals filled with shiny paint just waiting for you to add water! Well hold onto your hat and be the first shop to have the new basic PEZZY. The same excitement is right here with six glorious multi-colors and TWELVE mono prints of PEZZY, just waiting to see what you will create with them! They fizzle and pop like a carbonated soda. Oh the fun you will have !
