

Completed quilt shown indicates the arrangement of the quilt blocks

Special note: The four blocks in the last row of the quilt are two-thirds of a full block and will measure only 9" x 18"

A one-third size block diagram is shown indicating the color arrangement and method of piecing. The letters stand for the colors: L-light green, M-medium green, D-dark green. The accompanying numbers (1, 2, 3, and 4) indicate the pattern parts used.

3 Sisters

3 Sisters is a collaboration born of mutual love and respect. This family of designers each dedicate their own voice to every collection. Vintage chic, country sophistication and an appreciation for the simple elegance of life are just a few of the stylistic threads that are woven into their designs. The widespread popularity of this dynamic trio can be attributed to their keen eye for rich yet subtle color choices and a gentle finesse of both scale and pattern.

INSPIRED

From the banks of the Seine in Paris to the galleries of the Museum of Printed Textiles in Mulhouse, the 3 Sisters springtime visits to France offer endless enchantment at every turn. Bring home the allure of their antique textile discoveries with their latest collection Mille Couleurs. Signature prints designed by the Sisters are reminiscent of mordant dye charts and scrawling ledgers from antique mill books housed in vast the museum. These unique designs are accompanied by graceful damasks, delicate florals, and opulent paisleys in warm shades redolent of those achieved by natural madder reds and browns, woad, and the first discovered synthetic dye known as mauve.
