**A new quilting collection
inspired by the archives of the
Victoria and Albert Museum
exclusively for Moda Fabrics**

Collaborating with the Victoria and Albert Museum, London, we have created a new range of 40 cotton fabrics featuring prints from wallpaper and textile designs by William Morris (1834 – 1896) from the V&A's archive. William Morris is primarily known as an influential designer of fabrics and wallpapers. Using examples drawn from the V&A's archives, this timeless collection captures Morris' love for the natural world.

The classic Medallion quilt pattern is a dynamic patchwork showcasing the beauty of William Morris's extraordinary designs while adding an original touch to your home.
