

Dot Dot BOO!!

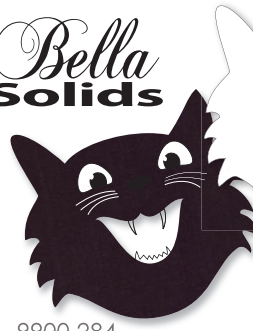

Me & My Sister Designs

Boo! Happy Halloween!

This new collection mixes old and new with a dash of whimsy. Orange and Black come alive with spiders in their web, squiggly lines and an old-school print with grinning cats set on dots. We sure do love those grins! Then get out your pens –permanent or temporary –to connect the dots...what will you find? Maybe a bat, ghost or witch...you'll just have to wait to see!
