

# Early Bird

Is there anything more beautiful than a bright summer morning? Every clever, early bird knows this and they greet each day bright and early with a cheerful song. This lovely summery collection is a follow up to our most requested group, Vintage Modern, and it has all of its' best colors. Apple red, bright aqua, avocado green, blush pink and the perfect gray. We even mixed our favorite navy in to really make everything shine. The beautiful florals, happy vintage birds, checks, dots, stripes and more will have even the most devoted night owls consider becoming an early bird.

# DESIGNER TRIVIA

## BONNIE & CAMILLE

**First collection** – Cotton Blossoms in 2009

The collection combined the names of their two pattern companies - Bonnie's Cotton Way and Camille's Thimble Blossoms.

**Favorite Quilt Market memory** – Bonnie ~ Our first Quilt Market together was very special as we were debuting our first fabric collection. Even though I had been going to Market for almost twenty years with my pattern company, that Market definitely stands out as a favorite.

**Favorite pre-cut** – Bonnie ~ Fat quarters and charm packs for me! Camille ~ Fat quarters are my very favorite cut but Layer Cakes are a close second.

**Years sewing and quilting** – We've both been sewing since we were little girls. It's something that is passed down in our family, and quilting has brought both of us a lifetime of joy.

**Who taught you to sew** – Bonnie ~ My mom taught me. Camille ~ And so did mine!

**Fun Fact** - Did you know that Bonnie & Camille share the same June 10th birthday? Camille likes to say that she was Bonnie's best birthday present ever. Bonnie agrees.
