FIG TREE & CO

IT'S THAT MAGICAL TIME OF YEAR... time to watch the snow fall, lights twinkle and to take in the sights and sounds of the holidays. For this collection, I was inspired by vintage European postcards, Italian paper crafts and antique wrapping papers. Buon Natale, which means Merry Christmas in Italian, is meant to transport you to another quieter more wondrous time when gift giving was handmade, and the art of Christmas was about the wonder of it all. Based on my favorite tones of reds, tans and creams, I have added some new tones of greens to create the feel of a Fig Tree Christmas. I cannot wait to share all of the wonderful projects we will making and crafting with the special village print & the vintage cards! Buon Natale everyone!
