MANNING

Cannon Beach is a joyful tribute to the wild beauty of the Pacific Northwest, inspired by our hikes along misty trails, coastal cliffs, and wildflower meadows. This collection captures the breezy charm of a vintage summer—sun-washed and carefree—with hand-drawn florals and native plant life photographed from the lush paths we explored.

The palette is bright yet soft, mixing coral, aqua, leafy green, and sunny yellow with touches of lavender, ocean blues, and deep indigo. Coordinating plaids add a nostalgic, picnic-on-the-bluff feel that ties it all together. Whether stitched into a keepsake picnic quilt or a project that captures the warmth of long summer days, Cannon Beach is a celebration of nature, color, and cherished summer memories.
